CUSTOMER COMMENTS

"We, at Pepsi-Cola Co. of Bend, have been proud to work with Central Event Rentals for over 4 years. I highly recommend using John and Janeen, owners and operators for any event - personal or corporate. They are hard working and every job is completed with professionalism. The relationships they have built over the years in Central Oregon have been instrumental in their success. We appreciate the attentiveness they give to us as a client and their reliability in service and equipment is outstanding."

Betsy Skovborg, Pepsi-Cola of Bend

"As a couple planning a wedding in a public park while living out of state, we were forced to put many of our eggs in the basket of our rental company, Central Event Rentals. No question was too small for John and Janeen. They went above and beyond the call of duty to ensure our setting was a beautiful and comfortable one."

Jon Lavietes, San Francisco, CA

"It was an absolute pleasure to work with John and Janeen on our wedding last year. They were so helpful in helping us choose linens to match our overall color scheme as well as the perfect chairs for our ceremony site. I have worked with John and Janeen both as a bride and as an event manager at a wedding venue and I can honestly say they offer superior value, an amazing level of service and are so fun and easy to work with."

Elena, Sisters, OR
